Our Town

By Peggy Blanchard

Women in white caps on their way to and from the cannery last week were on a special order—their appearance in working clothes was just a forerunner of the canning season which will be in full swing first thing you know.

★

Mrs. LBen Howard and Mrs. Harold Relph are closing their childrens' ready-to-wear and infant supplies shop this week. Sorry to say—their business was a fine part of the Campbell scene and added diversity to articles that may be purchased here. Their many friends are wishing them affectionate farewells as shop owners.

★

Mrs. Gerrans, out on the Quito ranch, says (by grapevine) that she attributes her long life to the fact that she married an Englishman. She'll be 92 in June.

★

Richard M. Burnett, U. S. Marine Corps, of Campbell, and Pvt. Jimmy R. Gonzalles of Rte. 3, Box 313B, San Jose, are two local men in training at San Diego.

★

This is not official—but they do say Ralph Hyde located the new 900-foot well at Hamilton avenue with a divining rod. Anyway, it's at the intersection of three subterrainean streams, merrily flowing beneath these green orchards.

It is official, though, that it's Robert James, who is the new member of the staff at Campbell Water Company office.

Mrs. H. F. Cousins, you probably know, is now employed at the Grammar School office.

★

Children of the Santa Clara County Hospital are showing the life-giving effects of an old-fashioned sweet smile. These days, there's a bright spot in their day, for 17 Campbell women are each giving an hour a week to play with them, pet them and see that each tiny patient receives at least a small share of mother love.

Some of these play-ladies hire baby sitters to tend their own youngsters, so that the hospitalized tots may have affection added to their regime.

Doctors, nurses, volunteers and babies are all mighty happy about three buggies recently donated to the cause. Now they hope folks will send out-door play equipment, toys and stroller. Miss Baer, at the Hospital, is one supervisor in charge, if you care to send a gift, or volunteer for service.

★

Mrs. William Wolff, West Campbell avenue, returned home Wednesday from San Jose Community Hospital, where she underwent a recent operation.

Visiting Nurses Extend Care

Visiting Nurse Association, of 16 N. San Pedro street, San Jose, announces a new policy of accepting calls beyond a former limit of five miles from its office.

The association is the only agency providing bedside nursing care in the area.

Official Tally Shows Campbell Led Campaign

Campbell branch of San Jose chapter, American Red Cross, led the entire chapter in percentage of quota obtained in the annual fund campaign, according to the official tally completed this week.

With a quota of $2500 in the campaign, Campbell residents subscribed $3546 or 141.8 per cent of their goal. More than $3000 was reported as the campaign here closed some weeks ago.

"This is a fine record of which both the volunteer workers and the City of Campbell can be proud," Vernon L. Owen, campaign chairman said, in listing the official figures.

Fred E. Jones and Mrs. C. E. Fagalde were co-chairmen of the Red Cross campaign in Campbell.

The campaign, which had a goal of $107,000 for the entire chapter area, has closed with a total of $101,382, or 94.7 per cent of the total subscribed.

Frank H. Lewis, chapter chairman, said yesterday that some "belt tightening" will be necessary, since the chapter did not reach the full $107,000 goal, but that all the basic chapter services will be continued.

"Results of the campaign show that San Jose chapter of the American Red Cross has the support of the entire chapter area," Lewis said, "and, in turn, the chapter and its branches will make every effort to meet the needs of the community in its services to veterans, its disaster relief, safety services, blood bank program, and other important ac-

Among the branches, Cupertino was second, with a quota of $1700 and $2342 or 137.7 subscribed. The other branches were: Morgan Hill, $2500 quota, with $2,959 or 118.3 per cent subscribed; Mt. Hamilton, $200 quota, with $203, or 101.5 per cent subscribed; Santa Clara, $4900 quota, with $3942 or 80.4 per cent subscribed; and Sunnyvale, $2700, quota, with $2359 or 87.3 per cent subscribed.

Memorial Day To Be Observed

Campbell stores, with the exception of a few groceries, will observe Monday, May 31, as a day of tribute to the memory of all who have passed on while in the service of their country.

Throughout the United States and its possessions, except for a few of the southern states, the nation pauses in its labors to pay tribute to its past gallants. The custom of setting aside each May 30 as a day of memory was initiated after the Civil War to honor the soldiers of the North.

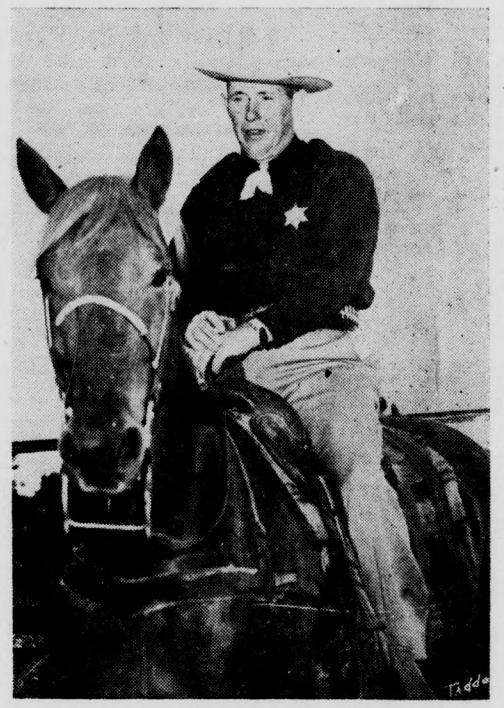

This year May 30 falls on Sunday, and so the holiday is automatically moved to Monday, May 31, as the legal day of observance.

U. N. Documentary Film Wins 'Oscar'

The first short documentary film produced by the United Nations —"First Steps," the story of physical rehabilitation of crippled children—has been awarded top honors by the American Academy of Motion Picture Arts and Sciences in Hollywood. Here the "Oscar," as the award is known, is examined by Jean Benoit-Levy, U.N. Director of Films and Visual Information (left), and Adalphe Delierneux of the U.N. Social Affairs Department, who helped in developing the moving picture, the first of a projected series.

Santa Clara County Sheriff's Posse On Parade for Rodeo Celebration

For 51 weeks of the year, Santa Clara County doesn't hear much about its Sheriff's Posse, a group of 75 men who love horses and contribute not only their time and expenses but their stable and automobiles in assisting the Sheriff in preserving law and order throughout the county.

Then comes Rodeo Week, and this year, more than ever before, the citizens of Santa Clara County will have the opportunity of seeing what a splendid force of men have been working for them all-year around, on 24-hour call for any emergency, without pay.

The climax—and biggest event of the week, of course—is the Parade and Rodeo to be held on Sunday, May 30, in San Jose. A generous share of the proceeds of this Rodeo will benefit the Santa Clara County Widows and Orphans **Fund.**

The Santa Clara County Sheriff's Posse was formed in 1939 by a small group of county horsemen who felt that they could be of service throughout the county, particularly in locations inaccessible to automobiles. Their foresight was especially well-illustrated during the war, in running down enemy short-wave radio transmitters. They have also captured prison camp fugitives, apprehended an arsonist, assisted in searches for fallen aircraft and aided in a cattle roundup following the eviction of an armed rancher.

Present officers of the Santa Clara Sheriff's Posse are: Howard Hornbuckle, commander-in-chief; Joe Carli, president; Frank Baxter, vice-president; Ed Matteoni, secretary-treasurer; Lou Kelly, sergeant-at-arms; Ed Kebble, parade captain; Tip Blume, parade lieutenant; Dick Levin, chairman of the rodeo.

Membership in the Posse is limited to 75, and only occasionally are there openings for membership. The members own some of the finest horses in the county, and they will all be on exhibition, along with many top-flight Rodeo riders and acts, in the Rodeo Parade and the Rodeo on Sunday, May 30.

Incorporation of Campbell Defeated In Special Election Tuesday

Action for the incorporation of Campbell received a decisive defeat Tuesday by a vote of 623 to 491.

More than 1100 ballots were cast on the hotly contested issue and candidates for councilmen polled an aggregate vote well above the total cast for and against incorporation.

Fred E. Jones polled the greatest number of votes among the 10 councilman candidates; James A. Brand was second and others in the order of arrangement on the ballot were: Lewis Brown, Earl C. Buck, A. C. Currie, Roy F. Ford, LBen Howard, Oliver C. Jensen, John C. McBain, Frank E. Pierson, for councilmen; A. E. Brydon, for city clerk; and D. H. Cramer, for city treasurer.

The People Decide

The people have decided against incorporation. We, of the Campbell Press, who felt that incorporation would have been the best thing for this community, will respect that decision. We still think Campbell is a swell place to live in and do business in. We will continue to give our readers the best newspaper we know how. We will also endeavor to support anything we think is for the best interests of the people in this area. If some disagree with us, we will respect their opinions as we hope they will respect ours.

Now that the issue has been clearly decided, let's all work to make Campbell the best community in Santa Clara County.

New BPW Club Names Head

EL PATIO PRESENTS GAY FACADE AS LANDSCAPING COMPLETES BLOCK

Grass growing on main street—the new trend in business development—took an upturn in Campbell Wednesday as filling, leveling and seeding of the garden at El Patio Smart Shops was completed.

When landscaping between the rows of brand-new shops is finished, it will present a green and flowery oasis right in the center of Campbell.

Flower beds, built into the store fronts, are to contain gay colored blossoms and flowering shrubs. A velvety carpet of grass will extend from walk to walk within the patio and shop-owners are already putting up bright awnings for a final touch of smartness in this new shopping center.

Mrs. Virginia Mortorano is owner of El Patio block of shops. Among the merchants now open for business there are Orville Johns, jeweler, the Modern Shoe Repair, Norman Tommy Blackmun's Campbell Floral Shop, Bert Collin's Family Shoe Shop, Seaver's Fashion Lounge and—newest of the shops which opened this very morning—Alex and Tommy's El Patio Barber Shop—personality hair cuts. DeRosa's Baby Dress Shop will open about June 1.

Formal opening ceremonies for El Patio are planned for the near future.

Gets the "Jump" in Aero-Hop Offer; Planes, Racers Prove Popular Prizes

Getting the "jump" on the rest of the kids, Elmer Holt, 10 years old, was the first to win an Aero-Hop pogo stick in The Campbell Press's offer of last Saturday.

Announcement of the chance to win a pogo stick, jet plane model or Daytona racer was made at 4:52 p. m. Saturday in the Campbell Theatre.

By 7 p.m. that evening Elmer sold four subscriptions to The Press, entitling him to one of the big prizes. In addition, (as an unannounced bonus) the Press arranged for Elmer to become the new owner of a 7-month-old collie pup. Elmer is the son of Mr. and Mrs. Elmer Holt, 63 Dillon avenue, Campbell.

Three other aero-hops have been awarded this week, as well as a number of planes and racers.

No contest is involved in the offer, which will be further explained at Campbell Theater this Saturday afternoon. Any boy or girl in the Campbell area is welcome to win one of the colorful, popular prizes.

Giant water tunnels
12 miles through granite
will soon step up P. G. and E. power

Deep in Sierra granite near Jackson, expert miners are blasting out two of the world's largest water tunnels . . . tunnels which will soon help generate 154,000 new electrical horsepower for Northern and Central California. Already, in just a year's time, one of the tunnels—43,064 feet long—has been completed, and all but 3,000 feet of the second is finished. Completion date is early July.

200 feet a day has been average progress, and rivalry is high as crews at both ends of the remaining tunnel battle rock and time to beat each other. Special bonuses are paid for every foot over thirty; work goes on 'round the clock six days a week. The tunnels are 15½ feet high and 13 feet wide.

On the Mokelumne River below, the big new Electra powerhouse (one of two soon to be served by the tunnels) nears completion. Here, three big generators will soon be whirling out 133,000 electrical-horsepower . . . new power to help meet our greatest demand in history . . . new power to serve you better.

For the record

These tunnels are just a small part of the P.G.&E. construction program

Actually nearly 2,000,000 electrical horsepower will be added . . . twice as much as was needed to serve all of pre-war Northern California

This is the biggest program of any electrical utility in America today . . . and we're going full speed ahead.

Work never stops on our power-building program

U.N. Facts and Faces . . . . . YUGOSLAVIA

Because of its strategic position and resources, the territory of Yugoslavia for centuries suffered various foreign invasions. With about 100,000 square miles and 15,000,000 people, Yugoslavia, embracing Serb, Croat, Slovenian, Macedonian and Montenegrin lands, was created as a monarchy after World War I. In World War II, she suffered heavily from German occupation, and after liberation, the monarchy was replaced by a Federated People's Republic. Predominantly agricultural, Yugoslavia is nevertheless the principal mineral producer of the Balkans, and has a Five Year Industrialization Plan. Her U.N. Representative is Dr. Joza Vilfan. Her flag is blue, white and red with a red star.

To Men of the High School
CLASS OF '48

THERE'S a big day coming soon — the day when you get your diploma. By enlisting in the Army or Air Force after graduation you can take full advantage of one of the finest opportunities ever offered a young man.

CHOOSE YOUR FIELD OF SPECIAL TRAINING BEFORE YOU ENLIST!

If you are 18 to 34 (17 with parents' consent) and a high school graduate, you can select your course of training in the Army or the Air Force before enlisting.

Under the Army Technical School Plan you can specify two different courses that appeal to you in each of two fields. The Army will check to make sure there is an opening in one of the four courses you have selected, and a place will be reserved for you in that course. Then you enlist for 3, 4 or 5 years, and after passing the physical and mental examinations and completing basic training you will be guaranteed training in your chosen field.

The Air Force offers a similar opportunity in its Aviation Career Plan, giving you a pre-enlistment choice of 3 among the more than 40 USAF Specialist Schools. There is no better way to get a start in the great and growing field of aviation.

Either plan gives you good pay, excellent training and a splendid chance for advancement in a real career. You can get full information, including lists of available Specialist Schools and Technical Courses, at your nearest Army and Air Force Recruiting Station.

T.B. BOARD MEETS

The new board of directors of the Santa Clara County Tuberculosis Association held its first meeting of the fiscal year Monday night (May 24) at the San Jose Civic Auditorium with Dr. C. Gerald Scarborough, president, presiding and more than 45 board and committee members and other interested persons present.

USE THE CLASSIFIED

CAMP FIRE GIRLS

A new Bluebird group known as the Mayflower Bluebirds has been organized in Campbell Grammar School under the leadership of Mrs. Floyd Nolff with Mrs. R. J. Riddle, Mrs. C. F. Williamson and Mrs. Frances Meckler as sponsors. Girls in this group are Barbara Baumgartner, Virginia Lee Smith, Shirley Graves, Gal Williamson, Joan Farley, Florence Edwards, Marcia Poore, Janet Meckler, Sherri Kadel, Joan Hollinger, Ellen Youngren, Barbara Engle, Naomi Riddle, Gail Gerlach, Mary Lou Morgan, Nancy Schraub and Dorothy Sterger.

New Troop Camps Over Weekend

Troop 32, Boy Scouts of America, the newest troop in the Campbell district, spent the past weekend at the Stuart Scout Camp with Roy Ford, troop committee chairman and Jim Edgmon, scoutmaster.

On Saturday they set up their camp and met other Scouts in camp at the same time. Games and activities were planned and carried out with visiting troops. The Scouts cooked their own meals over open fires and passed cooking and firebuilding tests. A hike over the camp property was conducted by Ken Robison, camp director. A fine joint campfire was planned and carried out with group singing, skits and story telling on the program.

Sunday morning some Scouts took a bird hike. A fine Scout Sunday service was planned and put over by the boys themselves, with Scouts of all faiths gathering in the outdoor chapel to observe the twelfth Scout law, "A Scout Is Reverent."

Boys attending were Ronald Edlemon, Ray Kuykendall, Charles Cantoni, Lawrence Pereira, Trent Barton, Roger Schafle and Harold Strong.

This Troop, our newest, is sponsored by the Methodist Church and meets on Thursday nights. Frank Blaine is institutional representative, Roy Ford, troop committee chairman; Harold Shumway and Marvin Strong are troop committeemen.

PTA To Sponsor Campfire Groups

San Tomas PTA held its regular meeting May 18 at the new San Tomas Grammar School. Mrs. Donald Lukehart presided. A report on the state convention held in Sacramento was given. Those attending the meeting from San Tomas were Mrs. Donald Lukehart, Mrs. Donald Hartman and Mrs. Ray Martin.

William C. Henley, superintendent of Campbell Union Schools gave an interesting and enlightening talk on the growth and future of the schools. Miss Frances Malefyt, executive of Santa Clara Council of Campfire Girls, told of the aims and of the seven crafts of Campfire organizations. Plans are being made for organizing a new Bluebird and Campfire group in the San Tomas district.

Girl Scouts Entertain Troop From Sunnyvale

Visiting Girl Scout Troop No. 46 of the Jefferson School in Sunnyvale District, under the leadership of Mrs. Virgie Chase and Mrs. Berniece Gregersen, enjoyed the gracious hospitality and entertainment of Campbell Troop No. 22 last Saturday.

Upon arrival at Campbell Congregational Church, each local girl assumed her respective duties as hostess to the guests. Campbell Troop then presented their play, "Buzzie's Babies." Girls participating were Leseth Hinz, Jacqueline Jansen, Joyce Gomes, Frances Evans, Shirley France, Diane Aiello, Marcia Webb, Mary Page, Veda Thompson, Audrey Arnold, Alice Lassen, Anita Raab, Joanne Strong, Barbara Wadsworth, Myrna Pulliam, Diana Robba and Marian Gould.

In turn, the Sunnyvale Girl Scouts entertained with musical selections, dancing and games.

As an added secret attraction, an individual puppet show was presented by Barbara Wadsworth.

Later a surprise was in store for all the girls in the dining room. Mrs. Royal Page, in charge of refreshments, had made beautifully decorated favors for each girl. The tables had bouquets of sweet peas, surrounded by smilax as centerpieces. Cardboard plates with cellophane covered doilies were decorated and topped with gay pastel colored parasols. Beneath the parasols were tiny bouquets of sweet peas tied with ribbons. Mrs. Page also made the delicious cakes which were served with ice cream and punch.

Campbell Girl Scouts extend an appreciation to Mrs. Page for all her work and devoted time. Also thanks to Mrs. Nadine Webb, Mrs. Mathilda Robba who gave a helping hand. And again to Reverend Carlson for the loan of the Congregational Church Hall.

At present some of the Girl Scouts are finishing leathercraft work while others are earning their Cook Badge. Mrs. Margaret Wadsworth of California Drive is very capably instructing the girls in the art of cookery.

New Cub Pack at Union School

A new Cub Pack in the Union District has recently been organized, according to Joseph Gomes, Organization and Extension Chairman of the Campbell District Scout Committee. The new unit has 20 charter members and will meet the second Friday of each month at the Union School.

The new unit has been assigned the number "38" and will be under the sponsorship of the Union District Improvement Club. Manley J. McCulloch has been selected as Cubmaster and Jack S. Owen, assistant. The Pack Committee will be headed by James K. Watts with Ellis C. Polen and William Faria the other members of the committee.

Cubmaster McCulloch announced the appointment of Mrs. Frances Murphy, Mrs. Evelyn G. Morgan, Mrs. Jean L. Winslow and Catherine Downing as Den Mothers. These Den Mothers will supervise the weekly neighborhood Den meetings in four areas of the community. Boys from 9 to 12 years of age are registered in the unit.

CANDIDATE A | CONGRESSMAN | CANDIDATE C

THREE MEN WANT TO BE YOUR
CONGRESSMAN
Which one will you choose?

CANDIDATE A . .

CANDIDATE A is a liberal. . . very liberal. He doesn't like the way America is being run and neither do his supporters. They are saying some very unkind things about our Congressman. Actually, they are pointing the accusing finger at our free enterprise system and American democracy as we know it today. Do we want representation that could change our type of government?

CANDIDATE B . .

CANDIDATE B is our Congressman — Jack Anderson. Over a period of years as our elected representative in Washington he has grown in stature and experience. Today he is rated as one of the 10 top congressmen in the entire country. He believes in free enterprise—is a true friend of the farmer — and has done more to cope with the problems of this district than any other single individual. The 8th Congressional district has never received better representation, according to disinterested Washington observers.

CANDIDATE C . .

CANDIDATE C is a retired Army engineer. During his long period of military service he spent most of his time in remote spots — far from the 8th Congressional District. He comes back home at the age of 67 with a splendid military record — a deeply ingrained military thinking — and a questionable knowledge of local problems and pursuits. Are these the qualifications for able, alert representation in Congress?

On the basis of careful analysis of facts there is but one choice
Let's Keep CONGRESSMAN JACK ANDERSON

THE CHAMP!

Day in and day out -- through cold, heat or drought — she fulfills her service to man. Producer of milk, our most economical and most nearly perfect food, and all dairy products, she accounts for one-fourth of the nation's diet. 800,000 strong in California, she and her health-mates lead all forty-eight states in production per cow—a tremendous asset to the health and well-being of every Californian.

Golden Gate Bridge Eleven Years Old

Eleven years ago this week, on May 27, 937, the Golden Gate bridge was officially dedicated and thrown open to the traffic of the state. On such an anniversary, it is frequently fruitful to pause and consider how such a useful addition to our wealth came to be.

First and foremost, the bridge is a monument to Joseph Strauss, the engineer who conceived the span and built it in the face of scoffers who said it couldn't be built. It is no less a monument to the men of courage in the six counties of the Bridge District who backed Strauss in the venture and placed their personal reputations at stake in backing him.

The bridge has prospered during the past eleven years and it has met all its financial obligations. At no time during this period has it come even close to needing help from the counties which pledged their credit to build and operate the bridge, including San Francisco which shouldered eighty-seven per cent of this tax liability.

The bridge will continue to build up the communities it serves and although its financial obligations will increase steeply in the coming years, it seems likely that its revenues will keep pace.

S. F. UNESCO CONFERENCE TO BE REPORTED TO WORLD

SAN FRANCISC.—Through the State Department's "Voice of America", the world will hear a complete report on the UNESCO Pacific Coast Regional Conference concluded here last week, according to Assistant Secretary of State George V. Allen.

The enthusiasm of the three-day meeting and recommendations adopted should give the world organization a "distinct lift", Allen said, and strengthen it in each of the forty countries subscribing to the UNESCO charter.

The holding of State UNESCO conferences, and establishment of local UNESCO councils, will be the immediate result of the conference. These councils, working through already-established organizations, will put into practice policies determined here.

Recommendations Made

Among the recommendations made by the section on human relations were practical ways to inform others of the American way of life, wider exchange of teachers and students, international conferences, trade agreements, church projects, reconstruction and travel.

The education section recommended minority groups everywhere be encouraged to take the lead in presenting community programs and regional conferences designed to get everybody better acquainted. Fear, ignorance, propaganda and "adult immaturity" were named by the delegates as the basis for prejudice among peoples.

In a "declaration of principles", the communications section said people in every land "should have access to as many relevant facts as it is within the resources of channels of communication and media of information to provide. To this end," the declaration said, "every effort should be made to open all sources of information all over the world."
